JB Project

Please find attached the 'JB Project' song list for your review.

SPECIAL DANCES: Please note that we will need to have your special dance requests, (i.e. First Dance, Father/Daughter Dance, etc) FOUR WEEKS prior to your event so that we can confirm that the band will be able to perform the song(s) and so that we have time to locate sheet music and audio. In cases where sheet music is not available or an arrangement for the full band is needed, this gives us time to properly prepare the music.

The JB Project song list is divided into two categories: HIGH ROTATION SONGS & LOW ROTATION SONGS. Requests for LOW ROTATION SONGS (not performed regularly) need to be made FOUR WEEKS in advance to give the band time to review.

Clients are not obligated to send in a list of general song requests. Many of our clients ask that the band just react to whatever their guests are responding to on the dance floor. Our clients that do provide us with song requests do so in varying degrees. Most clients give us a handful of songs they want played and avoided. If you desire the highest degree of control (allowing the band to only play within the margin of songs requested), we would ask for a minimum 80 requests.

Feel free to call us at the office should you have any questions. - West Coast Music
