## LoveStoned

Please find attached the LoveStoned song list for your review.

Please note that we will need to have ALL your song requests, including specialty dances (I.E. First Dance, Father/Daughter Dance, Mother/Son Dance, etc) **FOUR WEEKS** prior to your event so that we can confirm the band will be able to perform the song(s) or will be able to locate sheet music/mp3 of the song. In some cases where sheet music is not printed or an arrangement for the full band is needed, this gives us sufficient time to properly prepare the music.

Clients are not obligated to send in a list of general song requests. Many of our clients ask that the band just react to whatever their guests are to on the dance floor. Our clients that do provide us with song requests do so in varying degrees. Most clients give us a handful of songs they want played and avoided. If you desire the highest degree of control (allowing the band to ONLY play within the margin of songs requested), we would ask for a minimum 80 requests.
