## Midnight Special

Please find attached the Midnight Special song list for your review.

### SPECIAL DANCES for Weddings:

Please note that we will need to have your special dance requests, (I.E. First Dance, F/D Dance, etc) FOUR WEEKS in advance prior to your event so that we can confirm the band will be able to perform the song and will be able to locate sheet music, mp3 or CD of the song. In some cases where sheet music is not printed or an arrangement for the full band is needed, this gives us the time needed to properly prepare the music.

Clients are not obligated to send in a list of general song requests. Many of our clients ask that the band just react to whatever their guests are responding to on the dance floor. Our clients that do provide us with song requests do so in varying degrees. Most clients give us a handful of songs they want played and avoided. If you desire the highest degree of control (allowing the band to only play within the margin of songs requested), we would ask for a minimum 80 requests.

'EXTRAS' REQUESTS: We will also need any General Requests that are chosen from the 'Extras' portion of this song list (pages 6-7) FOUR WEEKS in advance prior to your event. The songs from the 'Extras' section are not in the current Midnight Special song rotation, so the band would need the extra time to prepare them.
